### PRESIDENT/CEO

George V. Samson, Ph.D.  
World Medical Relief

Dear Community Partner,

World Medical Relief, a nonprofit with its headquarters in Southfield, serves low-income people providing medical resources many communities don't have access to, while collaborating with organizations to provide services to those in need. The agency has served the Metro Detroit senior community with an affordable prescription program and other services since 1966.

For the second year in a row, celebrating **National Senior Day**, World Medical Relief is hosting the **Senior Fest** on **Wednesday August 19, 2020** from **9am to 1pm**. The event will take place at World Medical Relief's headquarters in Southfield and is **free for seniors**. They are encouraged to join health check-ups, dance/exercise, attend workshops, and visit the vendor booths, learn about volunteer opportunities, eat lunch, and get pampered.

Vendors will provide information about a multitude of services, including but not limited to; senior housing, transportation, affordable prescriptions, senior employment, hospice, in home care, and supplemental insurance.

Last year the event was a great success and well received by the community. This second year, we expect about **200 seniors** from both the Detroit and the Southfield area. As you can imagine, the seniors look forward to this event that is filled with information, food, fun, entertainment, raffles, and prizes. We are inviting you and your organization to participate as a sponsor and/or vendor of this wonderful event. **Please sign up as soon as you can as space is limited.**

We are excited about hosting this event again and appreciate the opportunity to provide valuable resources to seniors. If you would like further details concerning your participation of this event, you can contact Josephine Jabara, Community Affairs, [jjabara@worldmedicalrelief.org](mailto:jjabara@worldmedicalrelief.org) or (313) 866-5333 ext. 243.

Sincerely,

George V. Samson, Ph.D.  
President & CEO
